Celebrating Videogame Collections

Every month at the National Videogame Museum we celebrate a different object from our collection and share its history. Create your own ‘Object of the Month’ by drawing an object from your wonderful collection.

**DRAW**

Draw your object in here! This could a videogame or your favourite videogame object (figures, clothing, consoles, books).

**WRITE**

Tell us about your object here! How long have you had it? Who made it? Why is it great?

Object of the Month
